## CONGRATULATIONS

TO OUR STARS OF THE WEEK AND HEAD TEACHER AWARDS

---

This week in Otter Class, the children designed, made and tested out their own scale model Anderson shelters. The shelters had to withstand an impact of a 500g 'rice bomb' dropped from 1m and protect the dwellers from a rain shower of 200ml.

All of the children worked extremely well in overcoming challenges when adapting their designs to meet the success criteria. They certainly had a lot of fun putting them to the test!
